

I gather weekly to worship, pray, study and play with other believers in order to celebrate life's victories and share life's burdens with each other.

SUNDAY MORNING

Adult Bible Study: Sunday mornings at 9:00 am are a great time to dig into God's Word and learn with other folks exactly what God desires for your life!

Leader: Rick Hilliard Time: 9:00 am Location: Fellowship Hall Classroom

Hebrews-Christ, Perfect Sacrifice, Perfect Priest: The book of Hebrews contrasts the old and new covenant and brilliantly reveals that Christ is higher than any Old Testament character, priest, ritual, or sacrifice. Through His life, death and resurrection, Christ is the perfect sacrifice - our own High Priest - - giving all believers unfettered access to God.

Leader: Lyle Williams Time: 10:30 am Location: Fellowship Hall Classroom

The Divine Conspiracy: This study refutes the "fire escape" mentality by exploring the true nature of the teachings of Jesus, who intended that His followers become His disciples, and taught that we have access now to the life we are only too eager to relegate to the hereafter. The author calls us into a more authentic faith and offers a practical plan by which we can become Christ-like. He encourages faith by embracing the true meaning of Christian discipleship.

Leader: Sammy Vavricek/Dave Treat Time: 10:30 am Location: Gym Classroom

SUNDAY EVENING

Wallula University: There are some really big ideas in scripture that maybe we can't fully investigate on a Sunday morning, but are vital to building a strong Christian faith. These six seminars will help us to unpack more fully the following topics: Salvation, Baptism, Communion, History of the American Restoration Movement, Church Leadership & Holy Spirit.

September 18, November 13, January 22, March 11, May 6

Leader: Lance Coffman Time: 6:00 pm Location: Fellowship Hall Classroom

James; Faith in Action: We live in a world characterized by instability, materialism, and words without actions. Centuries ago, the apostle James could not envision the world we live in, but he did address the issues we face. Come discover how to best put your faith into action!

Leader: Nick Gonzalez Time: 6:30 pm Location: 936 Wyndham Drive

THURSDAY

Sandwich & Song: This group meets every third Thursday to enjoy a simple meal together & worship through some good 'ole hymn singing!

Leader: Marlene Graef Time: 6:00 pm Location: WCC

TBD: Want to have a little input into what you'll be studying this fall? This group is just for you! With a great location very near Wallula's campus this group will dig into God's Word to learn just what He intends for the group to learn!

Leader: Aaron Hite Time: 7:00 pm Location: 14070 Robin Rd

Living on the Ragged Edge: Here is an intimate glimpse into Solomon's ancient journal, Ecclesiastes, in which the young king's desperate quest for satisfaction--in work, in sexual conquest, in all the trappings afforded by his fabulous wealth--was as futile as trying to "catch the wind." For those struggling with the anxieties and frustrations of our modern era, the good news is that you can find perspective and joy amid the struggle.

Leader: Bill Criss Time: 7:00 pm Location: WCC

Anxious for Nothing: So many things to worry about and so little time to worry! As a Christian, you're not immune to the troubles of life, and when troubles come, you're urged to rise above them and experience "peace that passes understanding." But how, in day-to-day life, does that really happen? In Anxious for Nothing, John MacArthur directs you to the only true source of comfort and victory - Scripture.

Leader: John McKnight Time: 6:30 pm Location: 23222 175th St

FRIDAY

Dinner & A Study: Come learn how to make some really great food & stay to enjoy food only offered by the bread of life. Group meets every other Friday in the WCC kitchen.

Leader: George & Jolene Hodge Time: TBD Location: WCC

They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer.

- Acts 2:42

TUESDAY

Men's Bible Study: There is something powerful about men studying God's word together! Join us every Tuesday morning in the fellowship hall for breakfast and an expository journey through God's word!

Leader: George Hodge Time: 6:00 am Location: WCC/Fellowship Hall

WEDNESDAY

Heaven & Hell: Heaven is a destination we should all long for, but with so much misinformation swirling around about harps, clouds and wings I for one will just pass. When you dig into God's Word and find out what He really has to say about Heaven and about Hell, for that matter, you will build a strong desire to do His will and live forever in paradise!

Leader: T.J. Stevens Time: 6:30 pm Location: 221 Willis Dr, Tonganoxie

Single Mom's: It has been said that the toughest job in the world is to be a mom. I don't think anyone can argue with that statement. Adding to the pressure is when you are asked to do that job alone. The great news is you don't have to do it alone! If you are a single mom this group will be full of support and caring from others and the peace that is only available through God's Word!

Leader: Kim Anstaett Time: TBD Location: WCC

Powerful: When is the last time someone used that word to describe you? God put His Spirit in us so we could be known for our power (Acts 1:8; 2 Timothy 1:7) Sadly, most believers and churches are known for something else. What's worse is that we're okay with it. Come explore God's Holy Spirit and our relationship with Him.

Leader: Coffman & Vavricek Time: 7:00 PM Location: 15075 166th, Bonner Springs

THURSDAY

Living a Life of Balance: Many of us yearn for balance in our lives. That precise alignment which will leave all our daily responsibilities in perfect harmony. As Christians we aren't just balancing our household schedules with work, diet, rest, and exercise, we must also consider the spiritual balance of our lives. How are we handling the balance between faith and sight, between love and obedience, between longing and contentment? Only God can guide us toward the balance we desire, and it starts with our hearts. This 12 week study will help us get there.
